

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree under the Clean Air Act

On November 17, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Columbia in the lawsuit entitled *United States v. HollyFrontier Refining & Marketing LLC, Frontier El Dorado Refining LLC, Holly Refining & Marketing Company – Woods Cross LLC, and Navajo Refining Company, LLC* Civil Action No. 1:15-cv-02024.

The United States alleges in its Complaint that HollyFrontier Refining & Marketing LLC, Frontier El Dorado Refining LLC, Holly Refining & Marketing Company – Woods Cross LLC, and Navajo Refining Company, LLC (collectively HollyFrontier) are liable for civil penalties and injunctive relief arising from alleged violations of the Clean Air Act, Section 211(h), 42 U.S.C. § 7545(h), and the fuels regulations promulgated thereunder and published at 40 C.F.R. Part 80. This Complaint addresses HollyFrontier's self-reported violations of the Reid Vapor Pressure (RVP) standard for certain batches of gasoline produced at their respective refineries and introduced into commerce with a RVP in excess of the respective standard. The Complaint also addresses alleged self-reported fuel testing violations at their respective refineries.

The proposed Consent Decree resolves all claims alleged in the Complaint, provides for payment of a \$1.2 million civil penalty, and requires HollyFrontier to implement mitigation projects that are anticipated to reduce emissions of volatile organic compounds, including toxics, by an estimated 96 tons over the lifetime of the Consent Decree.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, Environmental Enforcement Section, and should refer to *United States v.
